

Yolo Earth Day Pledge

EMBRACE THE 2023 CHALLENGE! The Earth Day Pledge Challenge asks Yolo County residents to complete at least six specific greenhouse gas reducing or resilience building actions before Earth Day 2024. Cool Davis has helped to identify high impact actions and ways to achieve them. You can build new habits, share your story, and learn from friends, family, neighbors, and experts in-person and online.

HOW TO PLEDGE

1. Scan the QR code or visit our page at www.cooldavis.org/pledge
2. Click **Sign Up** then **register** using an email you'll continue to check and use over the next year!
3. Take the short survey and pick **1 or more actions in each of 6 categories**
4. Invite friends and co-workers; share it with your family or housemates
5. Tell us about your progress every 3 months
6. **Finish by Earth Day April 22 2024**
7. Celebrate with other pledgers!
