

# Give green. Shop local.

Grow our economy. Shrink our footprint.

*This list was compiled by members of the Davis Climate Action Team and concerned citizens who want to live more responsibly. We have created a list of suggestions for a greener holiday celebration. The following ideas are just to get you started. Get two for one this holiday season. Give a gift to your loved ones that's also a gift to the planet.*

## Shop local.

*What a relief not to face traffic and crowds in unfamiliar shopping malls. Limit yourself to friendly Davis and Yolo County for your gift shopping this year. Reduce stress, lower your carbon footprint and help the local economy.*

Give a gift from downtown Davis: [www.DavisDowntown.com](http://www.DavisDowntown.com)

Give a gift from Yolo County: [www.yolocvb.org/](http://www.yolocvb.org/)

Re-gift from All Things Right and Relevant: [www.rrconsignments.org](http://www.rrconsignments.org)

Find local resources at DavisWiki: [www.daviswiki.org](http://www.daviswiki.org)

Find local businesses at Davis Chamber of Commerce: <http://www.davischamber.com/>

## Give the gift of sustainable living.

***Many folks appreciate a practical gift that also helps Mother Earth. Why not go the next step—shop locally and buy products that save energy and promote healthy living?***

### **Energy Efficiency.**

- Give the gift of a light bulb – LED bulbs (save up to 77% of energy)
  - Give a gift of LED holiday lights with timers (*save up to 25% in electricity costs*)
  - Give a gift of Smart power strips (*Reducing “phantom load” saves 10% or more of home electricity consumption*)\
  - Give a torchiere light (*can now be purchased with CFL bulbs*)
  - Give a gift of occupancy sensors (*sensor turns on light with motion and turns light off after set number of minutes*)
  - Give a book on energy efficiency
  - Give a cell-phone solar charger
  - Give a solar cooker <http://www.solarcookers.org/>
  - Give green cleaning products
  - Give a clothesline with clothes pins or a drying rack
  - Give the gift of a cooler home and/or save water by planting a tree, building a trellis, growing drought-tolerant plants, or installing awnings
  - Give an electric, push or reel lawn mower: <http://www.jbspower.com/about.htm>
  - Give a gift of duct sealing or insulation
  - Give a gift of natural light with installation of a solar tubular skylight (<http://www.solatube.com/>;  
<http://www.getsolarise.com/gallery1.htm?gclid=CLv--dvZjZ4CFRQpawodEFbptg>;  
<http://www.solutionsforlighting.com/certifications/california-pier/>
  - Give a gift of a composter, rain barrel or worm bin
- Or if you want to give a bigger ticket item, consider: energy efficient water heaters, windows, solar thermal, solar photovoltaic, whole house fan, energy star appliances, computers and tvs (*Check for rebates at [www.pge.com/rebates/](http://www.pge.com/rebates/) )*

### **Transportation**

- Give a gift of a bus pass
  - Give a bicycle or bicycle equipment
  - Give a bike tune up
  - Give bicycle panniers and shopping bags
  - Give a gift of walking shoes
  - Give a membership to Zipcar
- Or if you are looking for a bigger ticket item, give the gift of an all electric vehicle or hybrid vehicle

## Give locally grown and locally made products.

*You'll find fresh and unique gifts while you save time and fuel when you purchase from local vendors. Don't miss out on these special products. Add your own to the list below.*
