

# DURBAN TO DAVIS: Local Action Key to Tackling Climate Crisis

---

Thursday, March 1, 2012

7:00 - 9:00pm

I-House Davis, 10 College Park, Davis 95616

---

## Speakers

---

**Nick Buxton**

**Transnational Institute**

Participated in last  
three UN climate talks

**Chris Jones**

**Cool California**

UC Berkeley Research  
Associate

**Chris Granger**

**Cool Davis**

Co-coordinator of the  
Cool Davis Festival

---

Despite ever more stark warnings from climate scientists, politicians globally have been very slow to tackle global warming. The recent UN climate talks in Durban, South Africa were no exception. What are the reasons for international inaction? **Can cities like Davis demonstrate how strategic investment in a low-carbon future can create healthy, vibrant communities?**
